\* Treatment calculations are based on the core lash products in the kit: SVS lash extensions and adhesives. Consumables are not considered to be core products and are not included in the revenue potential counts.

Retail revenue calculations are based on product RRP's and the number of those products in each kit. SVS treatment RRP depends on the client's desired look, with an estimated price ranging from £45 - £75. Revenue potential has been calculated on an average treatment price of £55.

SVS has been especially developed to combine the best aspects of Extend Classic, Russian Volume and Express Lashes. Products may be replaced with others of the same value or more. Price excludes VAT. Terms and Conditions apply, please ask for details.
